

Curriculum vitae

Personal Data

Name: Prof. Dr. med. Ralf - Thorsten Hoffmann
Date of birth: 14.10.1971

Education

07/1991 High school - Stiftlandgymnasium Tirschenreuth
11/1992 - 4/1999 Medical studies at Friedrich-Alexander-Universität Erlangen/Nürnberg
04/1999 Third part of the Federal Medical Examination
08/1999 - 01/2001 Residency at the Medizinische Klinik I, Klinikum Landshut – Internal medicine
02/2001 - 09/2004 Residency at the Institute for clinical Radiology LMU – campus Grosshadern
10/2004–11/2006 acting Section Chief „Interventional Radiology and Angiography“ at the Institute for clinical Radiology - LMU
11/2006 Board certification – “Radiology”
11/2006 - 12/2010 Senior physician and section chief „Interventional Radiology und Angiography“ at the Institute for Clinical Radiology - LMU
01/2011 - Co-Chairman at the Institute und Polyclinic for Radiology at the Carl-Gustav Carus University hospital – TU Dresden
11/2011 - extra-occupational MBA-studies „Health Care Management“ at the Dresden International University – Technical University Dresden
11/2011 Instructor and Auditor Certification „Interventional Radiology” - German society of interventional radiology (DEGIR)
12/2011 Full Professorship „Interventional Radiology“ at the medical faculty of the Technical University of Dresden
05/2013 Auditor for the German X-Ray Society (DRG) for the official certification of vascular centers
6/2013 Alternate director of the University Vascular Center
4/2014 Master of Business Administration – Health Care Management
9/2015 Certificate EBIR (European Board of Interventional Radiology)
5/2016 elected member of the steering committee of DEGIR (German Interventional Radiologic Society)
4/2018 Chairman of the “Institute and Polyclinic for Diagnostic and Interventional Radiology”

Scientific activities

Dissertation

12/1996 -02/1998 *UV- induzierte kutane Entzündung und Hyperalgesie*
Doktorvater: Prof. Dr. Dr. h.c. mult. H.O.
Handwerker, Physiologisches Institut – University of Erlangen - Nuremberg
(magna cum laude)

Habilitation

01/2003 – 06/2010

*Klinischer Stellenwert der Radiofrequenzablation (RFA) als minimal-invasive
Therapiemöglichkeit von Lebertumoren sowie deren Entwicklung in der Behandlung von
Tumoren außerhalb der Leber und ihre Kombination mit anderen minimal – invasiven
Therapieverfahren*

Institute of Clinical Radiology Ludwig-Maximilians University Munich – Dean Prof. Dr.
Dr. h.c. mult. M.F. Reiser

- 12/2011 Full Professorship (W2) „Interventional Radiology“ at the medical faculty of the Technical University of Dresden”
- 12/2016 Full Professorship (W3) „Interventional Radiology“ at the medical faculty of the Technical University of Munich
- 04/2018 Full Professorship (W3) „Interventional Radiology“ at the medical faculty of the Technical University of Dresden”

Publications

- More than 100 publications in medline listed journals
- 65 original publications with peer review
- More than 30 Reviews or case reports with peer review

Presentations

- More than 150 scientific presentations at international congresses
- More than 50 scientific presentations at national congresses
- More than 150 invited presentations at national and international congresses

Memberships

- Fellow - Cardiovascular and Interventional Radiological Society of Europe (CIRSE)
- Fellow - European Society of Gastrointestinal and Abdominal Radiology (ESGAR)
- Radiological Society of North America (RSNA)
- European Society of Radiology (ESR)
- Deutsche Röntgengesellschaft (DRG)
- Deutsche Gesellschaft für interventionelle Radiologie (DeGIR)
- Bayerische Röntgengesellschaft
- Sächsische Röntgengesellschaft

Reviewer for scientific journals

- Gut (Editor: Prof. Dr. Gerbes)
- European Radiology (Editor: Prof. Dr. Dr. Reiser)
- European Journal of Radiology (Editor: Prof. Dr. Imhof/Prof. Dr. Müller-Hülsbeck)
- Cardiovascular and interventional Radiology (CVIR) (Editor: Prof. Dr. Vorwerk)
- European Urology (Editor: Prof. Dr. Catto)
- Fortschritte auf dem Gebiet der Röntgenstrahlen (RöFo) (Editor: Prof. Dr. Heindl)
- Radiotherapy and Oncology (Editor: Prof. Dr. M. Baumann)

Editorial Boards

- PeerEmed (seit 2010)

Further qualifications

- Collaboration at the consensus conference „Uterine fibroid embolisation“
- Collaboration at the task force „Software“ - Deutschen Gesellschaft für Interventionelle Radiologie – DEGIR
- Teacher “Radiofrequencyablation” - ESIR (European School of Interventional Radiology)
- Collaboration at national guideline preparation „Diagnostic and therapy for HCC“
- Collaboration at European guideline preparation „Gastrointestinal Bleedings“ – European Society of Gastrointestinal Endoscopy (ESGE)

Dresden, 29-Mar-2019
