Hermann Rein Award 2019 for Mauro Siragusa from Frankfurt

At the 41st Annual Meeting of the German Society for Microcirculation and Vascular Biology in Heidelberg the Hermann Rein Prize was awarded. This is one of the highest awards in the field and sponsored by SERVIER Germany with 2000 €. The awardee is Dr. Mauro Siragusa (Goethe University Frankfurt) for his published work „Nitric oxide maintains endothelial redox homeostasis through PKM2 inhibition“ (EMBO J. 2019;38(17):e100938.). The winners of the joint 2nd prize (Dr. Ludwig Weckbach/PD Dr. Ulrich Grabmaier, Munich, and Dr. Alice Plein/Prof. Dr. Alessandro Fantin, London/Milan) received 500 € from the German Society for Microcirculation and Vascular Biology.
