

## **Vaccination status sheet for employees / interns / guest students at the Carl Gustav Carus University Hospital Dresden**

Dear Sir or Madam,

Due to your current employment, it is necessary that you prove your **hepatitis B- and/or hepatitis A-protection** in addition to the **standard immunisations** required for all new employees, interns and guest students of the Carl Gustav Carus University Hospital Dresden.

(see back page)

Please contact your family doctor or your previous medical officer in good time before starting work (recommended at least 6 weeks in advance) for clarification and, if necessary, completion of your required vaccinations!

Standard vaccinations are performed at the expense of the health insurance companies!  
Laboratory diagnostics and any other necessary vaccinations may incur costs, which are to be borne by the applicant.

Best regards,

Your department of Human Resources
