The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of the Technische Universität Dresden are offering a position at earliest convenience as a

Chair (W2) of Inflammation and Hematopoiesis

The professorship is affiliated to the Institute of Clinical Chemistry and Laboratory Medicine of the University Hospital Carl Gustav Carus Dresden. We are searching for a scientist with a proven track record in the fields of inflammation and hematopoiesis. A special emphasis is laid on the interaction between the aforementioned fields. Specifically, you should have expertise in the regulation of myelopoiesis in the hematopoietic niche as well as in innate immunity and its effects on hematopoietic progenitors in the bone marrow. As a successful candidate, you are already known as a research personality in the field of interaction between inflammation and hematopoiesis and have experience in raising third-party funds. Another part of the activities within the scope of this professorship is to participate in teaching (course in Clinical Chemistry) and in laboratory medical diagnostics as well as in academic self-administration.

The employment of professors with medical duties takes place within the framework of non-tariff employee contracts with basic remuneration as well as performance- and success-related remuneration components. Prerequisites for employment according to § 58 SächsHSFG are a university degree in medicine, doctorate, and habilitation or an equivalent qualification record.

The Faculty of Medicine aspires to increase the number of women in research and teaching and strongly encourages qualified women to apply for this position. We also welcome applications from scientists with disabilities or additional support needs.

Please send your application by October, 23th 2019 to the Dean of the Faculty of Medicine Carl Gustav Carus, Technische Universität Dresden, Prof. Dr. med. H. Reichmann, Fetscherstraße 74, 01307 Dresden, Germany. For further details concerning the required application documents see the homepage of the Faculty of Medicine or please contact the dean`s office (Dr. Janetzky, +49 351-458-3356), the equal opportunity officer Dr. Valtink (+49 351-458-6124) or the representative for disabled persons Frau Vogelbusch (0351-458-3327).

The Technische Universität Dresden is a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate’s partner.
