

The Faculty of Medicine and the University Hospital Carl Gustav Carus at Technische Universität Dresden invite applications for the

Chair (W2) of Cell Metabolism

to be filled at the earliest possible date.

The chair is affiliated with the Institute of Clinical Chemistry and Laboratory Medicine of the University Hospital "Carl Gustav Carus" Dresden. We place particular emphasis on research of the interaction between cell metabolism and other fundamental processes in cells and tissues (such as growth control and differentiation or regulation of inflammation), which represent a common pathomechanism in the field of cardiac or cardio-metabolic diseases or steatosis. We also expect you to be highly cooperative, to be particularly committed to teaching (Course Clinical Chemistry) and to laboratory medical diagnostics as well as to participate in academic self-administration.

You are already known as a research personality in the field of cell metabolism in cardiac or cardio-metabolic diseases and have experience in attracting external funding. You also have a successful publication record in the field of cell metabolism in cardiac or cardio-metabolic diseases that strengthens the research focus "Metabolic Diseases" with innovative scientific and methodological approaches.

Prerequisites according to § 58 SächsHSFG include a university degree in medicine, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record and a board certification for laboratory medicine.

The employment of professors with medical tasks is carried out according to non-pay scale employment contracts with a basic remuneration and performance- and success-related remuneration components.

The Faculty of Medicine seeks to employ more women in leadership positions and strongly encourages qualified women to apply. We also welcome applications from qualified candidates with disabilities or those with additional support needs.

Please send your application **by June, 25th 2022** in electronic form in a single PDF file or in hardcopy to **Dekanin der Medizinischen Fakultät Carl Gustav Carus der Technischen Universität Dresden, Frau Prof. Dr. med. Dr. Esther Troost, Fetscherstraße 74, 01307 Dresden (meddekanin@mailbox.tu-dresden.de)**. For further details concerning the required application documents please see the homepage of the Faculty of Medicine or contact the dean's office (Dr. Janetzky, +49 351-458-3356), the Equal Opportunities Officer of the Faculty of Medicine (Dr. Valtink, +49 351-458-6124) or the representative for persons with disabilities (Ms Vogelbusch, +49 351-458-12127).

TU Dresden understands diversity as culturally self-evident and a quality criterion of a university of excellence. Accordingly, we welcome all applicants who would like to commit themselves with their performance and personality to us and with us for the success of all. TU Dresden is strongly committed to the goal of a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate's partner.
