

The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of the Technische Universität Dresden are offering a position at 01.10.2021 as a

Chair (W3) in Prosthodontics

(succession Prof. Dr. M. Walter)

As Professor you will represent prosthetic dentistry in research, dental education, and patient care. You will also be Head of the Department of Prosthodontics.

We greatly appreciate your engagement in establishing the new Approbationsordnung für Zahnmediziner (new Licensure Act for dental education) and in interdisciplinary as well as interprofessional teaching, and your commitment in academic self-governance. Your excellent international scientific reputation is an ideal base for this position.

Prerequisites according to § 58 SächsHSFG include a university degree in dentistry, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record, experience in dental education as well as in the acquisition of peer reviewed third party funding. As a successful candidate you have comprehensive clinical expertise in prosthetic dentistry.

The employment of professors with medical/ dental tasks is carried out at the University Hospital Dresden in the scope of non-pay-scale employment contracts with a basic remuneration and a performance- and success-related compensation.

The Faculty of Medicine aspires to increase the number of women in research and teaching and strongly encourages women to apply for this position. We also welcome applications from scientists with disabilities or additional support needs.

Please send your application by **March, 20th, 2020** to the **Dean of the Faculty of Medicine Carl Gustav Carus, Technische Universität Dresden, Prof. Dr. med. Heinz Reichmann, Fetscherstraße 74, 01307 Dresden, Germany**. For further details concerning the required application documents see the homepage of the Faculty of Medicine or please contact the dean's office (Dr. Janetzky, +49 351-458 3356), the equal opportunity officer Dr. Valtink (+49 351-458-6124) or the representative for disabled persons Frau Vogelbusch (0351-458 3327).

The Technische Universität Dresden is a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate's partner.
