

The Carl Gustav Carus Faculty of Medicine and the University Hospital Carl Gustav Carus of the Technische Universität Dresden are offering a position at 01.01.2018 as a

**Professor (W3) of Urology
(succession Prof. Dr. M. Wirth)**

The Department of Urology at the University Hospital Dresden is one of the greatest urological university centers in Germany. Main focus of clinical and basic research is in the field of prostate carcinoma, bladder cancer, benign prostatic hypertrophy and kidney transplantation.

We are seeking an outstanding personality with excellent clinical and scientific qualification and reputation, who will represent the medical field in research and education as well as patient care. You will actively integrate in the preexisting infrastructures and research topics of the Faculty of Medicine, especially in the field of diagnosis and therapy of oncological diseases, and will actively participate in the local site of the National Center of Tumor Diseases, preexisting cooperative research groups and institutions of the TU Dresden and extramural, non-university research institutions such as the Max Planck- or Helmholtz-Institutes.

Ideally you are also an inspiring teacher and we anticipate your dedication to the Dresdner model of problem-oriented teaching (DIPOL®) in German and in English language, as well as your commitment and support in academic self-governance.

The employment of professors with medical tasks is carried out at the University Hospital Dresden in the scope of non-pay-scale employment contracts with a basic remuneration and a performance- and success-related compensation.

Prerequisites according to § 58 SächsHSFG include a university degree in medicine, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record. Board certification for Urology is required. The position further requires providing teaching experience, a profound experience in conducting clinical and translational studies and records in third-party fund raising as well as competence in management and in leadership.

The Faculty of Medicine aspires to increase the number of women in research and teaching, and strongly encourages qualified women to apply for this position. We also welcome applications from scientists with disabilities.

Please send your application by **June 9, 2017** to the **Dean of the Faculty of Medicine Carl Gustav Carus of the Technische Universität Dresden, Prof. Dr. med. H. Reichmann, Fetscherstraße 74, 01307 Dresden, Germany**. For further details concerning the required application documents see the homepage of the Faculty of Medicine under jobs. For more information please contact the dean's office (Dr. Janetzky, +49 351-458 3356), the equal opportunity officer Dr. Valtink (+49 351-458-6124) or the representative for disabled persons Ms. Hillig (+49 351-458-3327).

The Technische Universität Dresden is a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate's partner.
